Memorial Day ceremonies

Remembering Veterans and supporting the community are primary missions of Post #39.

The Veterans Memorial, on the corner of 1st and Jefferson streets, is supported by The American Legion with assistance solicited from businesses. Each year during the Memorial Day ceremony on the Courthouse Square, a wreath is placed in front of this memorial to remember those who died to sustain the privileges we enjoy in the United States.

Flags are placed on Veterans' graves at all the cemeteries in Oldham County for Memorial Day. Each year Legion members volunteer to place the flags in Oldham County.
